

Look up to the DC-8

WORLD'S MOST MODERN JETLINER—BUILT BY DOUGLAS

Turn your eyes to the skies . . . and soon you'll look up to the DC-8 Jetliner. This new star will take its place as the Douglas airplane that contributes more to flying *comfort* than anything with wings.

From its gay and glamorous lounge to its special soundproofing

to its *Douglas-engineered* seats, the DC-8 is perfected for passenger enjoyment . . . designed for *you*.

For example, the new type of *contoured* seat Douglas designers have created. It *cradles* you. Press a button and it g-l-i-d-e-s you back to a sleeping position. All *you* do is

close your eyes! But don't plan on more than a cat nap. The DC-8 will whisk you to your destination at almost 600 miles an hour!

So look ahead to the finest flying that man has yet devised. Keep your eyes on the skies . . . and look up to the Douglas DC-8!

These famous airlines already have purchased the DC-8:
